<td>On 10/19/09 I performed a euthanasia inspection. the county utilizes both Eti and C/o. However the C/o chamber at that time did not meet the euthanasia requirements and was taken offline. I did perform an Eti inspection and it was acceptable.</td>

<td>The county purchased a C/O chamber from another county and the chamber was refurbished. The chamber was installed and inspected by an ITH and passed.</td>

<td>I am also investigating a complaint filed by Ms. Jennifer Brown of PETA. Ms. Brown submitted a letter that addressed concerns at the shelter. The complaint is about overcrowding that was reportedly occurring on March 11th, 2010. The complaint also added there were multiple dogs housed together in single outdoor runs.</td>

<td>The complaint is also that the indoor enclosures were reportedly filthy with excessive fecal matter. There was also piles of garbage and empty dog food bags within the shelter.</td>

<td>Need to establish a cat holding area. The county recently started picking up cats and were not aware that they needed to establish a cat room. The cats are currently housed in the garage area of the shelter. The shelter was being cleaned upon my arrival, I did not observe any over-crowding. I observed no trash build-up inside the shelter. The shelter was clean.</td>

I will perform a follow-up. The county is in the early stages of building an office area. For the employees, I suggested the county utilize the current office as a cat holding area. I advised the director I will return in 60 days. This should allow the county to establish a cat holding room.
