<td>All Areas within Main Kennel have been completed. All tile in all areas complete. New floor covering. And trim at front of all enclosures. Very nice work. Wood around doors between indoor and outdoor runs needs to be replaced. In some post all with material impenetrable to moisture. Overall facility is looking much better. One dog - St. Husky was on site with no shot records that was a steal. Owner was making efforts to find owner and was taking animal to shelter to be scanned for microchip. All other records were in good order.</td>
