I performed a courtesy inspection of 1/16/06 The shelter was in good shape.

There were some cracks in the ceiling, but the floors are sealed. Every year, OK. A piece of wood located under cat cage needs to be sealed. Then was an indication that cat had scratched on the same food storage. OK. Descriptions of animals OK. Records OK. Did notice the ceiling in isolation room starting to peel. Will repair this.

Approved □ Disapproved □
