Comment from previous inspection:

Records are more complete today. Origin of all cats are on the paperwork today. Most cats were adopted from neighboring county animal control shelter. There needs to be an individual tags number assigned to each cat and logged on the adoption paperwork. The shelter will be contacted and reminded to do this. Rabies vaccination status is available for each cat and except for a rabies vaccine.

Sanitation - Cat Cage - The top of the cat cage is dusty and cat toys were haphazardly lying up there. More attention cleaning.
