I performed a random inspection today on the 8/23/10 inspection. I addressed that the county needs to establish a cat holding area. The shelter staff is still utilizing large dog holding cages for cats. The county needs to address this issue.

The staff is utilizing newspapers in the cages holding cats. The county needs to purchase litter boxes and litter for the cats. I would like to have this issue resolved by my next inspection.

There were no cats at the shelter on today's inspection.

I had a concern on my last inspection about cats and dogs not being fed the required 24 hours. This issue has been corrected. The cats and dogs are being fed.

I didn't perform an euthanasia inspection today. There were no animals to be euthanized.

The shelter was very clean and the dogs housed looked healthy.
