damaged food storage bins have been replaced. Suggested to manager the clip boards be laid on top of the storage bins so the dogs cannot reach the clip boards and destroy them.

Item to correct:

.0207 Sanitation / Grounds - Outdoor play yard area - There is a buildup of hair in this area from being hosed off. Each time this area is hosed, the runoff area must be checked to make sure there is no hair or feces lying on the ground. Keeping the grass mowed will aide in this task.

Comments:

Temperature was in range in the kennel area. Day care ratio was in compliance.

The latch was broken on 1 kennel door. The manager has a note on the door not to use that kennel until the latch is repaired.

Remember to provide water to ALL dogs at all times, unless there is a medical reason to with hold water.

Food storage is acceptable today. Laundry area looks very good today.

Follow-up inspection in 30 days 4/18/14.
