Follow-up Inspection from 9/15/09

Items that have been addressed since 9/15/09:
1. Damaged ceiling tiles have been replaced in the podhouse.
2. Re-pointing of damaged areas has been completed in the cat room.
3. Outside dog care pens - gravel has been replenished and no bare dirt is showing.
4. Small pen beside trailer - fencing has been repaired and hole filled.

Item to be addressed:
5. Outside Building D - The caps on 2 pipes need to be replaced - "A do not use" sign is on this pen.

Comments:
The owner has put down a new "Rhino" floor in the Cabanna Room. She is watching the durability of this new type floor before using it in other areas of the kennel.

The owner is aware there areas in the kennel with chipped paint and she is already planning to repaint.

Remember to monitor very closely the outdoor exercise yards and to keep the gravel depth maintained - no bare dirt.

Temperatures were in compliance in all indoor buildings.

Item # 7) Should be addressed before the next inspection.
