**Items still to be addressed:**

1. All moldings, porches, doors that are scratched or have worn or peeling paint must be repainted and kept in good repair. — Owner has power washed in preparation to paint.  
   Tub area — wood must be replaced as long as dogs are allowed free access to this area.

2. Exercise yards — Crawl space wood door must be changed to non-wood as long as dogs have access to it.  
   Large exercise yard ground depth is not deep enough — 6 inches is required depth. Owner plans to start on the small exercise yards next.

Remember to keep all outlets plugged so that dogs have access to and do not replace any burned out light bulbs.

Inspection today is conditionally approved contingent upon addressing all above items. Re-inspect in 60 days (6-15-09)
