<td>Comments: Shelter building is an old structure that has created many challenges for the manager to deal with. 7.21.07 ground was broken for a new shelter building on Hwy 53. Hopefully enough funds will be raised to start construction within the next few months. Meanwhile, the manager has done an excellent job of maintaining the fencing, which is old, the outdoor exercise yard, keeping the building very clean and workable. The dogs and cats look well cared for. Records are up to date and it appears adoptions are going well. From 7-31-07 inspection, more gravel has been added and more is due today, the chain link on outside kennel doors have been replaced. Continue to keep the chain link in safe repair and outside yard gravelled - no bare dirt.</td>
