<td>Follow-up Inspection from 10-4-07</td>
<td>Inadequacies that have been addressed since 10-4-07: 1. Perimeter fencing is now in place. 2. Unloading area has been cleaned up of trash, debris. 3. Shower area has hot water available for personnel clean up. 4. Grass is being moved on a regular basis now. Items still to be addressed: 1. Painting - that will be done last. 2. Cat Isolation will be in place when new cat adoption room is finished. Plans are to remodel the K-9 Kennel into indoor outdoor runs. While the construction is taking place, dogs will be housed in the outdoor runs that are on the ground. These runs are going to be remodeled so as to comply w/403 regulations on an outdoor facility. This should begin in approximately 2 weeks. Today dogs &amp; cats look good. Kennel temp. is 70°. Very pleased with all that has been done.</td>
