**Item Number**
The Pender County Humane Society has built a new shelter at 1407 NC 53 Hwy West, Bureau. Their open house will be July 18. They will move the shelter dogs and cats from the foster home of the shelter manager after the open house.

The shelter has indoor/outdoor enclosures for both dogs and cats. Heat and air conditioning is available. Washers and dryers (2 each), refrigerators and hot water are available. A tile, walk in each area is available to bathe the dogs. The laundry area has shelving for storing dog linens and 2 sinks for cleaning food and water bowls. Rubber coated resting surfaces or blankets will be used as resting surfaces. The back of the Kennel have a drain which is covered in a removable piece of Azek. The K-9 Kennels are 53" x 120". All chain link is of 9 gauge wire which should be very low maintenance. The outdoor portion of the K-9 Kennels will not be used until funds are available to purchase the remaining chain link. There is an outdoor exercise yard with concrete and a gravel border surrounding it to aide with drainage. A mister system is available to help keep the dogs cool when exercising in hot weather. The cats have access to an outdoor exercise room. Everything built in this new facility that the dogs and cats have access to is of a non-wood material.

Landscaping is not complete today but is acceptable. Discussed the area behind the K-9 exercise yard that now has been cleared of thick woods. The possibility of creating another K-9 exercise yard. Advised shelter treasurer Nora James the most reasonable solution would be to establish shade tolerant grass. Advised also that a good carpet of grass must be established that bare dirt is not acceptable.
