**Follow-up from 6-27-08**

As of July 1, 2008 shelter management has changed to The D. Fred Allen Animal Shelter. Items that have been addressed since 6-28-08:

1. A tip has been installed over outdoor kennels to prevent animals from escape.
2. A medical log has been created.
3. Cat adoption room - litter pan ratio is in compliance now - resting surfaces available.

Items that need to be addressed:

5. Kennels OK 9, 10, 5 have damaged chain link - doors.
6. Unloading area still needs yard maintenance.

Management plans to expand indoor kennels to indoor/outdoor kennels, add chain link pens to hold dogs in clam cleaning, second line of runs will be raised to existing back wall.

Under the new management, shelter odors have been reduced, cat area has been increased, new cat enclosures are on order. Records are now in order.

This inspection is conditionally approved contingent upon the above items being addressed.

Re-Inspect in 30 days.
