Above items addressed while I waited.  

I was advised there is no one acting as an Animal Control Officer in this town at the present time. County is called same day an animal comes in so there is none housed overnite.

Record Keeping has been explained to Jessie and he understands what is expected.

Strongly emphasised cleaning these pens as needed - not to leave them dirty and to store feed in a vermin-free area.

24, 25, 26) All Records - Records have been kept in the past under different management - Fully explained what is required.

Remember to have all equipment in clean manner and working order.
