| Item Number | Explanation of Inadequacy (circled items above) And Recommendation For Compliance | Date Corrections Must Be Completed |
|-------------|--|------------------------------------|
| | Follow-up from 10-3-07. | |
| | Food storage has been taken care of - food room should be kept swept clean of spilled food to prevent rodent attraction. | |
| | 25 new kennels w/cross containment barriers have been ordered. Shelter can only afford 25 per budget year. | |
| | 25 Resting Boards are available but not in use because shelter manager says the dogs do not lie on them but use them for their stool area. Strongly recommended using them anyway - give the dog the option. | |
| | New kennels hopefully will be installed within next 60 days. | |
| | Re-Inspect in 60 days | |
