</table>

**Comments:**

Temperature was 74° at 9:40 am.

A German Shepherd male was being held for adoption by another shelter that had an old injury on his right rear leg. The dog did not appear to be in pain and the wound was healed over. It was brought in as a stray on 9-4-09 and is scheduled to be picked up on 9-9-09.

Shelter is Conditionally Approved contingent upon addressing the 6), 7) issues. Re-Inspect in the 4th quarter of 2009.
