Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
Follow-up from 11-20-08		
Items that have been addressed:		
1- Rodent Control - no evidence of a rodent problem was found today.		
2- Inside South Side Kennels - Peeling walls have been painted.		
Items still to be addressed:		
1) Structure + Repair - Dog Play Room - Hole in sheet rock needs to be repaired, torn wall paper removed. If this room is going to be used as an inside exercise room, the walls must be covered in a washable material. All areas of this building that have any holes in the walls or torn wall paper must be addressed. 4) Walls - This refers to the play room and any other areas of this building that have holes in the walls or torn wall paper.		
2) Structure + Repair - North side Kennels - inside - Paint is peeling and must be repainted. Outside Kennels with raisable tops need painting on the inside. All cracks in the concrete must be sealed. Cat Room - Glass - Electrical plugs must be kept plugged if cats are allowed free in this room. Wall paper has been removed and sheetrock walls painted since last inspection - walls must be covered in a washable material if cats are to remain free in this room. Middle cat room - wall paper has been removed - washable material must be installed if cages are going back in this room - Showerboard is acceptable. A cage must not be positioned next to a wall that is not of a washable material.		
26) Records of Origin - ALL dogs and cats must have a record of origin in the files. If the dog or cat is a stray, record that it is a stray and the location it was found. If the dog or cat came from animal control, the impound number must be recorded also.
