<td>Follow-up from 10/13/10</td>
<td>1. K-9 Quarantine room - The chain link on Pen #60 has been repaired and all of the rusted areas have been cleaned of rust and painted.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>2. Personal - An on-site shelter director and a part-time shelter attendant have now been part of the shelter staff. The shelter was clean by 9:45 AM today and the records are much more organized and up to date. It is evident on today's inspection that lack of personal is no longer a problem.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>3. Since the 10/13/10 inspection the break room has been converted to be the adoptable cat room. This enables the shelter to keep the feral cats isolated from the public.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Items to be Addressed:</td>
<td></td>
</tr>
<tr>
<td></td>
<td>1) Cat Adoption Room - FRP board must be installed on the walls of this room to maintain proper sanitation. The new director will give permission to start using this room with the understanding that FRP would be installed. FRP board should be installed within 30 calendar days.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>2) Records of Origin - Records have improved but it was noted that there is some officers who need to provide a complete record of origin.</td>
<td></td>
</tr>

</table>

Comments:
The new director has overseen many projects that have made noted improvements. The shelter now has an adoptable cat room, the K-9 qt. room is still having the pressure washer and lawn mower but the crew is better organized-less cluttered and the receiving area behind the shelter is new.
