<td>They have fresh (may rain) block to top. To have parked a several blocks place is clean a smell great. Still need to do something about more dogs coming in. Sea if they have spot at door. Shabby into a disease case not or add one to build up and stop off waste. Floor needs to be rescaled in the entire facility. The said this will be budgeted the next fiscal year. Time to keep on your place out back needs to be done by Jan. 29, 2009. Wall still need to be rescaled around the walk of horse. Make sure you get exact turns on where dogs are picked up. They had added a vent at fans and is doing a good job coming out air out. Be back end of Jan, 2009. To see more improves above.</td>
