Need to make sure you clean cages and walls in it. They want to make the front entrance, even which is enclosed by a chain link fence into an exercise/running area. The area has rock and wood dirt. Need to raise rock level to broken, concrete or good soil. For exercise area, when they are it for working area, they get on closed and they are supervised. They work (clown) while have ventilation working. Need to add comments on future sheet. All other problems. We're OK. Call & let me know what you decide on exercise area.
