Item Number | Explanation of Inadequacy (circled items above) And Recommendation For Compliance | Date Corrections Must Be Completed
---|---|---

Visit site of new facility today and noted construction is coming along nicely - completion is looking like June ’08.

Since last inspection a wash basin with water has become available for washing food/water pans - Good.

All inadequacies still stand.

Remember the weather is cold now so Kennel temperatures should not fall below 50°.

Will Re-Inspekt in 60 days.
