<td>My hase a good facility but you have a crack in the wall up and down in the corner in main kennel room. I will leave it up to you to fill it in. The Fecl Cat cages have not been cleaned. I ordered cat cages but my came in and they were too small. The female cats are expecting babies. The female cats are not in a separate room. If you are going to keep these cats together a length of space is needed. You need to cover the wood or change out the platform. The place is clean and has a good ventilation.</td>
