Re: Compliance with NC General Statute § 19A-26

Dear Ms. Clark:

The Animal Welfare Section (“AWS”) of the North Carolina Department of Agriculture and Consumer Services (“NCDA&CS”) received a complaint concerning the potential operation of an unregistered animal shelter at 120 Misty Way, Franklinton, NC.

On March 31, 2025, AWS Outreach Coordinator Blomquist (“Coordinator Blomquist”) conducted a site visit at the 120 Misty Way, Franklinton, NC address. He found that your rescue, Pawsitively Pugs Rescue (“the rescue”) was housing 18 rescue dogs at this location and conducting activities consistent with the NC Animal Welfare Act (“AWA”) definition of an animal shelter. A review of AWS records does not show an active certificate of registration for an animal shelter for Pawsitively Pugs Rescue at this or any other address.

Until such a time the rescue has a valid AWS animal shelter registration, you may not operate as an animal shelter. This means that the rescue may not: intake stray or unwanted animals directly from the public, animal shelter or other rescue; house more than 9 rescue, stray or unwanted dogs or cats; or provide foster care for a shelter or other rescue for more than 9 animals.

To initiate the process to become registered as an animal shelter, you must complete the animal shelter registration application, before housing any animals. If you need a copy of the application form, it can be found on the AWS website at the following link: <https://www.ncagr.gov/veterinary/awsnewshelterapp/open>

Failure to abide by this directive shall be considered a willful disregard or violation of the NC Animal Welfare Act and the rules issued pursuant thereto. Under NC General Statute § 19A-40, violation of the

NC Animal Welfare Act and the rules issued pursuant thereto may result in the assessment of a civil penalty of up to \$5,000.00 per violation.

Your immediate attention to this matter is appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patricia Norris DVM MS".
